About the e-Adhyayan (the e-Workshop)

Everyone is concerned about the increasing threat of COVID-19 and searching for a solution by which normal activities involving others can be performed while maintaining the norms of social distancing. Teachers are also facing the same situation. Fortunately, alternatives are there to holding face-to-face classes, but it's important to prepare teachers and students ready for the technology driven techniques. Department of Computer Science, K.K.Das College is organising *e-Adhyayan* (the e-Workshop) to build confidence of *e-teaching* to the teachers using Google platform.

This *e-Adhyayan* will provide each participant enough confidence to begin *e-classroom* for the onboard students.

The Audience:

This professional development activity/course is designed for:

Teachers who want to start *e-Teaching* using Google platform for teaching, learning and evaluation.

Description:

The Two-Day (12 hrs) *e-Adhyayan* will review the uses of Google platform, so teachers can plan for *e-teaching*. The *e-Adhyayan* is designed to:

- *Online accounts*
- *Collaborative Works*
- *Classroom - Onboard Students & Co-Teachers*
- *Engage students in e-Learning System*
- *Create e-Lessons, e-Assignments, e-Tests*
- *Track Attendance, Participation and Students' Progress*
- *Pre-scheduling Classes, Live Classes, e-Time Table*
- *Personal Website - Uploading Personal Details and Shareable Documents*

Google offers a good option for increasing access and intensity, whether or not your recent needs are going to temporarily close. These tools are enthusiastically used globally.
